

Masonic Temple Pipe Organ

Originally a Wurlitzer style "F Special" 2/8 built as opus 1580 shipped from the factory in February 1927 to the Rialto Theater in Bremerton and relocated to the Bremerton Masonic Temple Bremerton, Washington in 1941 and installed "as is", where it still resides and has had subsequent refurbishing over the years.

2/8 Wurlitzer, Style F "Special"

Masonic console, in large lodge room, 2005

Organ speaks from these grilles, located high up, opposite the console
